

# The Sufficiency of Scripture

What do these passages tell you about God's word, the Bible?

- (2 Timothy 3:16-17) -
  
- (Hebrews 4:12) –
  
- (2 Peter 1:2-4) –
  
- (1 Thessalonians 2:13) -

- (Matthew 5:17-18) -
  
- (Psalm 19:7-11) -

God's Word is a comprehensive resource for man. It is inspired, inerrant, infallible, and authoritative. The Holy Spirit uses God's Word to accomplish salvation, and to wisely guide us through all matters of life either by direct command or precept. Thus, Scripture prepares a person for salvation, and also instructs Christians in gradual growth in pure worship by training in holy character. The Holy Spirit brings a biblical man to believe the truth of His sufficient Word, and enables him to obey it by faith. (Dr. John Street)
